You've been sent to the World Of Cat's as the chosen one. It's Monday, the MayFlower is leaving in 5 days, alongside with turkeys. You are the only one that can stop this. There are various different endings you can discover, but can you find them all before the MayFlower leaves? **Thanksgiving Hint: Personally when I *Eat Food* I *Click on a Turkey***

You start off with 100$ and can earn and lose money.

Your Journey begins here, good luck my friend…

The Demerit of having a technique that’s passed down from generations is having a user’s manuel
The demerit is that information about the technique is easily leaked
You were a member of the Tabby clan, weren’t you?

That’s why you know so much about the Meowless technique
However, even in the Kitty clan only a scant few know about this

Take the litter and the catnip, then smash those two different expressions of kitty and push out imaginary meow

Normally I would’ve said that and hightaled out of there

Yet the freshly awakened wielder of the Meowless technique was right before my eyes

He was probably the strongest cat of the modern age

I wanted to reject him.
I wanted to bring him to his knees.
I wanted to take down the pinnacle of feline world.
And the Tabby clan that rejected me.
I twisted myself to try to affirm myself

BLEAK NEW WORLD ENDING

It is inevitable for the blood moon to crash into Earth.

Humanity has failed.

As we approach the final moments of our universe, we now understand.

The future is not bleak. There is no future.

Goodbye, humanity.

From the shadows the blood moon rose, and conquered Earth. Reclaiming it as its kingdom. Forever lost in darkness… humanity will be…

Full Moon - Return here

No… This can’t be.
I-I can not be defeated…

From the shadows, the Blood Moon rose, but our resilience eclipsed its dark intent. Tartarus failed, yielding to the unyielding spirit of humanity.
Goodbye, Tartarus.
As Tartarus meets its demise, Yin and Yang are free from control.
They have begun rebuilding the moon free of malice.
